## Course Overview

This qualification reflects the role of individuals who take the first line of working with children in a range of Childcare settings. It will provide you with the necessary skills and knowledge to become an effective, highly-valued and competent employee within the Early Childhood Education and Care industry.

Reporting to a room manager, this program provides a combination of practical hands-on learning in a workplace and structured classroom learning delivered by highly experienced and qualified professional trainers, who have worked extensively and operated Child Services in industry, running Early Learning Facilities.

There are eighteen (18) units of competency to complete for the full qualification, which are listed overleaf.

Job roles and titles may vary across centres. Possible job titles relevant to this qualification include:

- Early childhood Educator
- School Age Care Assistant
- Playgroup Supervisor
- Family Daycare Educator
- Education and Care Worker

This role works within the requirements of the Education and Care Services National Regulations and the National Quality Standard. They support the implementation of an approved learning framework, and support children's wellbeing, learning and development.

A number of career pathways are available for workers employed in Childcare, including various supervisory, leadership and management roles. After achieving this qualification candidates may undertake a Certificate IV or Diploma level qualification within the Community Services, or other Training Package.

## Recommended For

The full qualification is required for anyone moving into a role where they will be directly caring for children in a child caring setting.

## Entry Requirements

There are no pre-requisites for this qualification, however students must show:

- A satisfactory level of language and literacy skills will be established at the time of enrolment
- A genuine desire to work in the childcare industry
- WA students must hold a current Working with Children Check Card (we can help you with information about how to apply for one of these)

## Competencies

Of the eighteen (18) units required, there are 15 core and 3 elective units. A sample course structure would be as follows:

### Core

- |               |  |
|---------------|--|
| 1. CHCECE002  | Ensure the health and safety of children                                 |

| 3. HLTWHS001  | Participate in workplace health and safety                               |
| 4. CHCECE009  | Use an approved learning framework to guide practice                     |
| 5. CHCLEG001  | Work legally and ethically   |
| 6. CHCPRT001  | Identify and respond to children and young people at risk                |
| 7. CHCDIV002  | Promote Aboriginal and/or Torres Strait Islander cultural safety         |
| 8. CHCECE001  | Develop cultural competence  |
| 9. CHCECE011  | Provide experiences to support children's play and learning              |
| 10. CHCECE007 | Develop positive and respectful relationships with children              |
| 11. CHCECE003 | Provide care for children  |
| 12. CHCECE005 | Provide care for babies and toddlers                                     |
| 13. CHCECE010 | Support the holistic development of children in early childhood          |
| 14. CHCECE013 | Use information about children to inform practice                        |
| 15. HLTAID004 | Provide an emergency first aid response in an education and care setting |

### Imported Electives

- |               |  |
|---------------|--|
| 16. CHCECE016 | Establish and maintain a safe and healthy environment for children |
| 17. CHCECE018 | Nurture creativity in children                                     |

### Elective

- |               |                          |
|---------------|--------------------------|
| 18. CHCDIV001 | Work with diverse people |
|---------------|--------------------------|

## Learning Arrangements

This course runs for 29 weeks, over an 8 - month period. Classes are run weekly on Mondays or Fridays at Greenhouse Training Room. You are also able to attend a "Study workshop" day each week if you choose on a Thursday. Students experience hands-on practice of skills in a safe, monitored simulated environment prior to being expected to be assessed in a workplace.

You will be allocated a highly experienced and qualified Trainer/Assessor who can provide you support over the phone, email or face-to-face as required.

## Work Placement

You will also be allocated a workplace environment where you can complete your 120 workplace hours, practice and develop skills and be assessed by your Trainer/Assessor. Your Trainer/Assessor will visit you in the workplace to provide you with support with your learning and assessments.

During the enrolment process, students will go through their training and assessment arrangements in detail, including what units are most suitable to your needs and what support strategies will help you complete your qualification.

**Training Accreditation Council**  
WESTERN AUSTRALIA

## Assessments

All assessments are competency based. You will be assessed against each unit of competency as you complete the full qualification. All resources will be provided to assist you.

The type of assessment tasks may include:

- Practical demonstration
- Knowledge based questions
- Portfolio of evidence
- Case studies
- Cluster Assessments due 4 weeks after completion of cluster
- Research projects
- On-the-job assessments
- Oral questioning
- Direct observation

## Skills Recognition / Credit Transfer

The process of Skills Recognition (Recognition of Prior Learning and/or Recognition of Current Competencies) gives those people with the relevant experience the opportunity to gain formal recognition for their competencies (skills and knowledge) gained through life, work and study, regardless of where, when and how they were achieved.

Participants are responsible for gathering evidence that will show they have the required competencies to the standard set out by the industry in the National Competency Standards.

If you have already completed some of the units of this qualification elsewhere, please provide us with a copy of your certificates for a direct exemption.

## Course Certification

This course meets the national training requirement for CHC30113 - Certificate III in Early Childhood Education and Care. On successful completion of all 18 units of competency you are issued a nationally recognised Qualification and a Record of Results listing all of the units that you have completed.

If you only partially complete your qualification you will be issued a Statement of Attainment listing your completed units of competency.
